24	114	<p>Section VIII. Special Conditions of Contract GCC 18.1 Performance Security to the Purchaser shall be for an amount of 10% of the contract value, valid up to <b>60 days after the date of completion of One year</b> warranty obligation, from satisfactorily installation and commissioning performance of equipment, issued by the competent Authority. <b>In the event of any correction of defects or replacement of defective material during the one-year warranty period, the warranty for the corrected / replaced material shall be extended to a further period of 12 months and the Performance Bank Guarantee for proportionate value shall be extended</b></p>	<p>Section VIII. Special Conditions of Contract GCC 18.1 <b>FOR PART A - Performance Security to the Purchaser shall be for an amount of 10% of the contract value of PART A, valid up to three years of warranty obligation after the date of satisfactorily installation and commissioning performance of equipment, issued by the competent Authority.</b> There will be 3 Years of on-site comprehensive service &amp; support to be provided which includes 3 years – Parts, 3 years – Labor, 3 years – onsite service &amp; support at all locations from the date of the commissioning &amp; acceptance of the project. Since the contract is comprehensive (service &amp; spare-parts) in nature, it shall be the responsibility of the supplier to replace any defective parts without any additional cost. The defective part so replaced shall be the property of the supplier. Supplier shall keep enough spares at the locations</p>

Sr. No.	Page No.	Original Provision as per Bid Document & amendments	Modified Provision after this Amendment
		<p><b>60 days over and above the extended warranty period.</b> The Performance Security will be forfeited if the supplier fails to provide satisfactory performance services during <b>One year comprehensive warranty.</b></p>	<p>during the contract period and the cost for these spare parts shall be borne by the supplier.</p> <p>The Performance Security will be forfeited if the supplier fails to provide satisfactory performance services during <b>3 years of the comprehensive warranty.</b></p>
25	114	<p>Section VIII. Special Conditions of Contract - GCC 18.4 Substitute Clause 18.4 of the GCC by the following: The performance Security will be discharged by the Purchaser and returned to the Supplier not later than 28 days following the date of issue of completion certificate by the competent Authority after <b>One year</b> comprehensive warranty period.</p>	<p>Section VIII. Special Conditions of Contract GCC 18.4 Substitute Clause 18.4 of the GCC by the following: The performance Security will be discharged by the Purchaser and returned to the Supplier not later than 28 days following the date of issue of completion certificate by the competent Authority after <b>three years</b> comprehensive warranty period.</p>
26	116	<p>Section VIII. Special Conditions of Contract GCC 28.7.1 <b>After completion of satisfactory installation, commissioning of equipments at specified locations, 1 year comprehensive warranty of the entire system including supply of spares free of cost to the purchaser for next 12 months will be done by the supplier. After completion of One year warranty obligation satisfactorily the completion certificate will be issued by the competent Authority for release of performance security.</b></p>	<p>Section VIII. Special Conditions of Contract GCC 28.3 <b>After completion of satisfactory installation, commissioning of equipments at specified locations, 3 year comprehensive warranty of the entire system including supply of spares free of cost to the purchaser for next 36 months will be done by the supplier. After completion of Three years warranty obligation satisfactorily the completion certificate will be issued by the competent Authority for release of performance security.</b></p>
27		<p><b>General Information &amp; clarifications to the queries.</b></p> <p>Permission for space &amp; power</p>	<p>GEC will assist in getting permission for installing equipments inside the building. GEC will provide RAW power within building. The extension of power sourcing will be at the cost of the bidder. In case of single storied building, only pole will be allowed to install on the terrace whereas in case of tripod mast, it shall be erected at ground. Earthing will be under the bidder's scope either inside or external building</p>

Sr. No.	Page No.	Original Provision as per Bid Document & amendments	Modified Provision after this Amendment
28		<b>General</b>	Earthing will be under the bidder's scope either inside or outside of building.
29		<b>General</b>	Physical security of all the project related devices within building premises will be under department's scope. Outside building equipments' security will be under bidder's scope & bidder has to take care of insurance of equipments as mentioned in the NCB document.
30	33	<b>Preparation of Bids - ITB 11.1 - 2 (i)</b> The bidder should clearly confirm that all the facilities exist in his factory for inspection and testing and these will be made available to the Purchaser or his representative for inspection	It will be informed to the successful bidder at the time of LOI issuance
31	60	<b>Technical Specification - Solution Highlight</b> Access point to WLC connectivity will be through MPLS/lease line link to reach Service providers cloud.	Bidder shall allow installing wireless link as the last mile connectivity from BTS to access point. However, it is recommended that wireless link should not be preferred for reaching the service provider's cloud from BTS.
32	73	<b>Scope of Work</b> Ideally AP's should be mounted and installed at the Minimum height of 10ft above the ground level. However, in case of feasibility problem AP's should be mounted on a pole of having outer height of Min 5ft over the roof or wall as per site requirement Further, bidder is responsible for supply, installation, commissioning and maintenance of mounting structure for AP's like Pole along with required clamp, cable (Active & Passive) and accessories at each site/location.	In case of single storied building, only pole will allow to install on the terrace whereas in case of tripod mast, it shall be erected at ground. Earthing will be under the bidder's scope either inside or external building. In case of multi-storeyed building, PURCHASER will give permission for erecting pole on roof or GBT (Ground Base Tower).
33	73	<b>Scope of Work</b> The proposed solution should be able to initially manage 1,000 access points and 5.0 lacs concurrent users, with the subsequent expansion plan and coverage of the Wi-Fi Hotspot, the system should be able to cater to the increased no. of users	1000 (One Thousand) access points to be supported from day 1.  Please refer corrigendum above

Sr. No.	Page No.	Original Provision as per Bid Document & amendments	Modified Provision after this Amendment
34	74	<b>Scope of Work</b> The controller should be Open Source/ Standard compliant. It should be given as a software package, without license/ time limitation of its usage. License here refers to all applicable licenses like for discovery, monitoring etc. with respect to “no. of Access Points connected or the number of users of the network or both”.	Please refer corrigendum above
35	109	<b>Payment &amp; Billing - GCC 16.1</b> Advance payment against security – as mentioned below	Please refer corrigendum above.
36	112	<b>Payment &amp; Billing - GCC 16.1</b> Minimum service uptime has to be 99.95% for individual location comprised of Internet Bandwidth supply & the last mile connectivity through access point.	The downtime due to switching off the device by GP person etc. instances will be excluded from downtime calculation subject to provision of the documentary proof duly signed by local gram Panchayat authority.  Please refer corrigendum above for the revised SLA& new addition in exclusion from SLA.
37		<b>Payment &amp; Billing - GCC 16.1</b> <b>Inside &amp; outside</b> Service unavailability because of Equipments failure by power fluctuation, earthing will be considered into downtime & penalty will be applied accordingly.	Inside & outside Earthing is under the scope of the bidder.
38	113	<b>Payment &amp; Billing - GCC 16.1</b> Uptime Penalty table, starting from min. 10%	Please refer corrigendum above for revised SLA.
39	116	<b>GCC 28.7.1</b> After completion of satisfactory installation, commissioning of equipments at specified locations, 1 year comprehensive warranty of the entire system including supply of spares free of cost to the purchaser for next 12 months will be done by the supplier. After completion of One year warranty obligation satisfactorily the completion certificate will be issued by the	Please refer corrigendum above for revised clause.

Sr. No.	Page No.	Original Provision as per Bid Document & amendments	Modified Provision after this Amendment
		competent Authority for release of performance security.	
40	115	<p><b>GCC 24.1</b> Should any loss or damage occur, the Supplier shall -</p> <p>a) initiate and pursue claim till settlement, and</p> <p>b) Promptly make arrangements for repair and/or replacement of any damaged item/s and ensure supply/commissioning as per terms of the contract, irrespective of settlement of claim by the underwriters.</p>	<p>Before commissioning of project, physical security of all the project related devices will be under bidder's scope.</p> <p>After commissioning of project,</p> <ol style="list-style-type: none"> <li>1. Physical security of all the project related devices within building premises will be under local Panchayat /CBO's scope.</li> <li>2. Outside building equipments' security will be under bidder's scope &amp; bidder has to take care of insurance of outside building equipment.</li> </ol>

**❖ FORMAT OF AFFIDAVIT**

(To be submitted IN ORIGINAL on Non-Judicial stamping of Rs 300/- duly attested by Magistrate / Notary)

I/We, \_\_\_\_\_, age\_\_\_\_\_ years residing at\_\_\_\_\_ in capacity of \_\_\_\_\_ M/s. \_\_\_\_\_ hereby solemnly affirm that

1. All General Instructions, General Terms and Conditions, as well as Special Terms & Conditions laid down on all the pages of the Tender Form, have been read carefully and understood properly by me which are completely acceptable to me and I agree to abide by the same.
2. I / We have submitted following Certificates / Documents for Pre-Qualification Criteria, Technical Evaluation as required as per General Terms & Conditions as well as Special Terms & Conditions of the tender

Sr. No.	Name of the Document
1	
2	

3. All the Certificates / Permissions / Documents / Permits / Affidavits are valid and current as on date and have not been withdrawn / cancelled by the issuing authority.
4. It is clearly and distinctly understood by me that the tender is liable to be rejected if on scrutiny at any time, any of the required Certificates / Permissions / Documents / Permits / Affidavits is / are found to be invalid / wrong / incorrect / misleading / fabricated / expired or having any defect.
5. I / We further undertake to produce on demand the original Certificate / Permission / Documents / Permits for verification at any stage during the processing of the tender as well as at any time asked to produce.
6. I / We also understand that failure to produce the documents in "Prescribed Performa" (wherever applicable) as well as failure to give requisite information in the prescribed Performa may result in to rejection of the tender.
7. I / We confirm that I / We have meticulously filled in, checked and verified the enclosed documents / certificates / permissions / permits / affidavits / information etc. from every aspect and the same are enclosed in order (i.e. in chronology) in which they are supposed to be enclosed. Page numbers are given on each submitted document. Important information in each document is "highlighted" with the help of "marker pen" as required.

8. The above certificates / documents are enclosed separately and not on the Performa printed from tender document.
9. I / We say and submit that the Permanent Account Number (PAN) given by the Income Tax Department is \_\_\_\_\_, which is issued on the name of \_\_\_\_\_ .
10. I / We understand that giving wrong information on oath amounts to forgery and perjury, and I/We am/are aware of the consequences thereof, In case any information provided by us are found to be false or incorrect, you have right to reject our bid at any stage including forfeiture of our Bid security / Performance Security of Part A / Advance payment receipts for PART B / Cancel the award of contract. In this event, this office reserves the right to take legal action on me/us.
11. I / We have physically signed & stamped all the above documents along with copy of tender documents (page no. \_\_\_\_ to \_\_\_\_ ).
12. I / We hereby confirm that all our quoted items meet or exceed the requirement and are absolutely compliment with specification mentioned in the bid document.
13. My / Our Company has not filed any Writ Petition, Court matter and there is no court matter filed by State Government and its Board Corporation, is pending against our company.
14. I / We hereby commit that we have paid all outstanding amounts of dues / taxes / cess / charges /fees with interest and penalty.
15. In case of breach of any tender terms and conditions or deviation from bid specification other than already specified as mentioned above, the decision of Tender Committee for disqualification will be accepted by us

Whatever stated above is true and correct to the best of my knowledge and belief.
