Initiating the discussions and background details of ICB Bid document for procurement of Micro Digital Balance and Volatile Organic Sampling Train (VOST) for GPCB under ICZMP, SMP GEC informed that SPMU is inviting ICB bidding document for 3rd time. The earlier bid process was cancelled due to various techno-commercial short-comings. Bid security and bid validity are most important factor in a bidding process and most important essence of the Bid, hence it is necessary to be complied with the bid provision. The bidders are requested to be more vigilant for validity of Bid & Bid Security. SMP requested bidders to raise their queries, if any, for both the instruments.
